Surf Dog Miracles Meish Goldish, 2012-08-01 One morning in September 2011, a large crowd gathered at the shore in Huntington Beach, California. The people had come to watch dozens of surfers ride the rolling ocean waves. This wasn't just any surfing competition, however—the surfers were dogs! With more than a thousand fans cheering the competitors on, an English bulldog named Sir Hollywood rode a long wave and was declared one of the winners. Surf dog competitions are fairly new, but dogs have been riding surfboards with their owners for fun since the 1920s. In *Surf Dog Miracles*, kids will meet the talented dogs that learn to balance on a surfboard, recover if they almost fall off the board, and even surf backward. Some surf dogs raise money for charity, while others can help people with disabilities ride a wave. Packed with real-life stories and full-color photos of these special animals, this book is sure to be a favorite of dog lovers everywhere.

Ricochet Judy Fridono, Kay Pfaltz, 2014-06-03 Ride the wave of hope with Ricochet - the only SURFice dog™ in the world who chose her own purpose! She surfs with children with special needs, people with disabilities, wounded warriors, and veterans with PTSD as an assistive aid and intuitive muse, healing hearts and souls on every wave. This tears-to-triumph story takes readers behind the TV and video sensation and shares the true journey that went from promise to disappointment before ultimately finding life's purpose. The gorgeous golden retriever Ricochet seemed destined to be a service dog from the moment she was born. She approached her training with boundless energy and surpassed every other dog in her Puppy Prodigy training class. Unfortunately, her love for chasing birds could prove dangerous, for those she would assist. Fifteen months into her training, Ricochet was released, leaving a frustrated owner and a dog without a direction. Yet through a twist of fate, Judy realized that flunking out of school wasn't the end of the world—and in fact, could be the beginning of a new one. Once Judy learned to let go and let Ricochet be who she really was, they found her true calling as a SURFice dog. Ricochet's story is one of synchronicity, our interconnectedness, and opening ourselves to life's 'paws'ibilities. Embracing her true calling, Ricochet began to help others, including those with traumatic brain injuries, post-traumatic stress, and physical disabilities, raising hundreds of thousands of dollars for charitable causes and inspiring people to believe in themselves. Ricochet does more than steady the board: she offers hope, comfort, healing, and a reason to keep fighting. What gives this story such extraordinary potential to become a publishing sensation? Ricochet is the only SURFice dog in the world, there is no other story quite like it!

Extraordinary Old Dogs Laura Greaves, 2020-12-01 Elderly dogs are doing extraordinary things. Puppies are wonderful, but there is something truly special about an old dog. It's the grey muzzle and salt-and-pepper eyebrows; the face that says 'been there, sniffed that'. More than anything, it's the lifetime of love, laughter and licks. Most dog lovers wish their four-legged friends could live forever, and yet senior canines are surrendered to shelters and rescue groups in heartbreakingly high numbers. But every day, all over the world, elderly dogs are doing incredible things. Dogs like Maya, a rescue dog who pioneered the technique used to save koalas after the Black Summer bushfires. Or Haole, who continued working as a surf therapy dog while battling cancer, and eighteen-year-old Holly, who survived for days lost in the outback. There's Chilli, who found television fame as a senior, and Chaser, the 'talking' dog who even in old age could identify over 1000 different objects. From saving lives and breaking records to leading online movements and surviving against the odds, stately seniors are wringing every ounce of joy and adventure from their lives. In *Extraordinary Old Dogs*, meet the geriatric tail-waggers proving there's plenty of life in the old dog yet.
