

## NOTICE

The Kitchener-Waterloo Humane Society believes that children and youth are strong voices in speaking up for animal welfare, and we enjoy watching and assisting students to become knowledgeable animal ambassadors.

Our educators and their certified canine partners strive to make school visits a fun and engaging space to connect with students about important animal issues. We are grateful for all of the ongoing school support we've received over the past 20 years.

To keep up with the rising costs associated with our growing school visitation requests, we will be implementing a suggested donation fee of \$2 per student for our school visitation program. This will commence as of September 2018. Please note that a tax receipt will be made available for all donations of \$20 or more.

We greatly appreciate your continued support, and we look forward to working with each and every one of your students in the new school year.

If you have any questions, please do not hesitate to contact us.

Thank you.

Sincerely,
